SYSTEM NAME	**INTERNAL AUDITS** PROCEDURE
SYSTEM NUMBER	RNSWP015
PURPOSE & SCOPE	To ensure a consistent schedules audit schedule is set up and maintained to test the suitability and adherence to all requirements of the HSEQ System.
CONNECTING DOCUMENTS	RNSWF026 Internal Audit Schedule RNSWF027 Audit Report

STAGES	STEPS	ACTIONS	RESPONSIBILITY
Audit Schedule	Audit Schedule – Corporate	An internal audit frequency and schedule is developed on **RNSWF026 Internal Audit Schedule** to ensure that all areas of the business processes are covered and planned for review. The required procedures/areas to be reviewed are named under each required month for the year. Some procedures may need to be reviewed more frequently than others based on the status and importance of the activity and previous audit findings.	HSEQ Manager
Audit Planning	Auditor Selection	An auditor is assigned to each audit and recorded on the Audit Plan. Auditors shall be independent, objective and impartial, and shall be selected so as to ensure that they have freedom from bias or any other influences that may affect their objectivity	HSEQ Manager
	Developing Scope & Audit plan	An Audit plan must be created for each audit that clearly outlines the following: ▪ Audit scope – Based on Audit schedule or checklist. ▪ Time frames ▪ Required personnel ▪ Selected auditor for the audit The audit plan must be prepared by the auditor and sent to the required personnel or project at least **two (2)** weeks prior to the audit.	Auditor
Conducting the audit	Opening Meeting	An opening meeting must be conducted with all required personnel that includes the following: • Review of audit plan • Time frames • Scope • Audit Methodology • Confidentiality • Questions	Auditor

STAGES	STEPS	ACTIONS	RESPONSIBILITY
	Methodology for auditing	Audits shall be conducted through examination of documents, practices, other evidence, and interviews with personnel. The audits shall be conducted against audit criteria such as: • compliance with company requirements (i.e. guidelines, procedures and work instructions); • compliance with all applicable legislative requirements. • ISO Management System Requirements; and • Other accrediting bodies, e.g., FSC, Insurers etc. Personnel being audited shall fully cooperate with the Auditor and provide any relevant information requested of them.	Auditor
	Audit on Projects	Use the Project Audit report template **AKF027 Audit Report**	Auditor
	Closing Meeting	An opening meeting must be conducted with all required personnel that includes the following: • Audit summary • Audit findings & NCRs • Close out methodology • Questions	Auditor
Reporting	Creating Audit report	A report, which summarises the audit outcome and any non-compliance, shall be prepared and issued to the Auditee(s) and management. Audit reports conducted by third party certification/accreditation bodies shall be provided to the HSEQ Manager and Management. All audit reports are to be provided to management for review and also included in the quarterly management review meeting.	Auditor
Corrective Actions	Raising NCRs	All corrective actions raised in the audit are to be raised as NCRs.	Auditor
	Close Out of NCRs	Based on the time frame for completion, the auditor will follow up to ensure all NCRs are closed out at each audit frequency.	Auditor
